

ERRATA: VOLUME 41 NUMBER 1

The following errors inadvertently appeared in the previous issue (Volume 41 number 1) of the South African Statistical Journal:

- The issue was enumerated as volume 41 number 2 while it was in fact volume 41 number 1.
- The year of publication for the first two articles in volume 41 number 1 (Manda & Leyland, 2007 and Finkelstein & Esaulova, 2007) was printed as 2006 instead of 2007.
- The date of acceptance for the second article in volume 41 number 1 (Finkelstein & Esaulova, 2007) was printed as 2007.8 instead of 2006.8.
